Remarks

This is an excellently located condo in the quiet and yet central area of Dadeland in Miami. This condo has been remodeled and is large, clean and bright. The ample balcony gives you the ability to have an inside out extended living space for your enjoyment and relaxation. The community is wonderful and offers tennis, pool, and plenty of grounds for walking or strolling. This unit comes with one assigned parking and the ability to rent a second parking through the management company. Conveniently located in walking distance to the metrorail, Dadeland, and many restaurants and shops. Laundry facilities are in the building for easy access and convenience.
