

Remarks

Completely gutted and remodeled home, located in the heart of Pinecrest, this inviting 4 bedroom, 2.5-bath house blends timeless charm with thoughtful updates. A combination of wood floors and coral tile adds warmth and character throughout. The spacious, light-filled living room easily accommodates both living and dining areas and flows seamlessly into a sunroom with original wooden beams and large windowed doors, creating an effortless indoor-outdoor feel. The kitchen features brand new appliances, an electric stove and a dedicated breakfast area, ideal for casual dining and everyday living. The primary suite offers an en-suite bathroom, dual vanities, and a walk-in closet. Two additional

Features & Amenities

garage, an expansive front yard anchored by a beautiful mature tree, and a spacious backyard offering flexibility for outdoor living or future entertaining. Located within the Pinecrest Elementary School boundary, moments from Gulliver, with easy access to nearby parks and walking trails.
